

K - 8 Math Adoption Committee - Minutes

November 16, 2023

LEC Board Room

4pm-5pm

Welcome and debrief (4:02pm)

Dr. Tracy Watkins welcomed the committee and tasked the table groups to discuss the program presentations. The teams discussed which math programs each was most interested in and any ahas.

Dr. Watkins asked tables if they had any additional questions for the publishers. She collected the questions.

Table Task

The grade level tables were then asked to preview a lesson from three different programs. The groups were assigned to look at a lesson that was best aligned to a math major cluster. The team then discussed guiding questions.

Conclusion

The committee concluded the meeting with a reminder of the upcoming meetings and tasks for the next weeks. The next scheduled meeting is on 11/30/23

The committee meeting concluded at **5:03pm**

Respectfully submitted by Dr. Tracy Watkins
