

McGraw-Hill - Glencoe 6-8

A student can access the digital math program by navigating to laveenschools.org home page, and selecting **McGraw-Hill ConnectED** under the "Students" tab. Once selected, and if the student is logged into his/her google account, he/she will automatically be logged in to his/her Course portal.

The screenshot displays the McGraw-Hill Education ConnectED student portal. The interface includes a top navigation bar with 'STUDENTS' and 'PARENTS' tabs, a left sidebar menu, and a main content area. Several callout boxes provide instructions:

- Menu Tab:** A callout points to the hamburger menu icon in the top right, stating: "Click here to open the drop down menu tab."
- Help Feature:** A callout points to the 'Help' option in the left sidebar, stating: "Help: You can access the help feature in the tool bar. This will give you access to tutorials and user guides to help you understand how to use ConnectED."
- Lesson Resources:** A callout points to the 'Lesson Resources' section in the main content area, stating: "Lesson Resources: You have access to resources to support the lesson. These are also available under the menu tab, labeled Resources."
- Homework:** A callout points to the 'Homework' section in the main content area, stating: "Homework: Your latest assignment will be posted here. Assignments are also available under the menu tab, labeled Homework."
- My Messages:** A callout points to the 'My Messages' option in the left sidebar, stating: "My Messages: You can view messages between yourself and the teacher."
- eBook:** A callout points to the 'eBook' button in the top right, stating: "Click on eBook to open the digital text."

The main content area shows the 'MATH COURSE 1' header, a 'STUDENT CENTER' banner, and sections for 'Lesson Resources' (with 'abc' and '100%' icons) and 'Homework' (with the message "You have no assignments at this time.").
